Bartender at Britta's Strandveranda

We are looking for **full time bar staff for the summer of 2022**, with start by Easter/ May until the end of August/September. We are looking for candidates with at least 2 years of experience.

About us:

Brittas is just like a Chiringuito, located on the beach of Apelviken in Varberg, about 1 hour south of Gothenburg. The town of Varberg is known to be the surf spot in Sweden.

Britta's is a restaurant and bar that is very popular for both regulars and tourists during the summer season. In the months of July and August we put up hammocks and sunbeds on the beach and offer service there which is not very common in Sweden.

Our opening hours are between 11am until around midnight. We're serving the same menu all day and all the orders are placed by the guests in the bar, and they pick their own food up when it's done, when their number is called up, from the kitchen window.

We have taken a lot of inspiration from around the world, like music, drinks, food, and design, since one of the owners was raised in Spain and speaks Spanish. A key word for us is to have fun and have each other's back, treat each other with respect, just like a family :)

Bar staff:

Full time on schedule of 40-45 hours / week. As bar staff you are required to be smiling and be able to perform the best of service. You have a good base of knowledge when it comes to bartending, wine, beer, and drinks. We serve our own produced cocktails, and we will give you training so you are fit for what we expect from you. You are good at handling stressful situations and keep up a good speed.

We need key employees that we can trust keep up a good work atmosphere although it will be stressful at times. The job requires good planning, and you need to have the ability to communicate in a good way. We expect you to maintain a good mien-en-place at all times, have an excellent spirit of teamwork and keeping it clean and tidy. One of the requirements is that you can communicate well in English Language.
